ABOUT

What can this app do?

Check shipmentcode and paymentcode purchase
This App implements the possibility to check for missing “Shipment Method Code” or “Payment Terms Code” before posting a purchase document. The type of check is configurable individually for “Shipment Method Code” and “Payment Terms Code” in “Purchase & Payables Setup”.

ABOUT

Available Features

Check Type " " (empty):
A Check for "Shipment Method Code" or "Payment Terms Code" is not activated. Documents get posted without a check.

Check Type "Message":
A Message is shown before posting a purchase document. If "Shipment Method Code" or "Payment Terms Code" is missing, the user gets asked if he wants to post the purchase document anyway.

Check Type "Error":
An Error is shown before posting a purchase document. If "Shipment Method Code" or "Payment Terms Code" is missing, the user cannot post the document before filling the missing values.

- **The supported purchase documents are:**
- **Purchase Invoice & Order**
- **Purchase Credit Memo**
- **Purchase Return Order**

Benefits

- **Saving time by checking before posting**
- **See on the screen if necessary information are missing**
